

TECNOLOGICAL CIVILISATION

Keynote Speaker

DIALOGUE VOCABULARY

- I do think so....
- I have to insist to
- you mean that....don't you
- as not as important as...
- is much more important invention because
- there are not as many arguments for and against
- our project is about
- from our point of view
- in my opinion
- besides
- more than that

We consider

- we don't agree
- on the one hand it is...,but on the other hand...
- moreover
- I think your opinion is absolutely nonsense because
- In addition
- I think you're being rather optimistic/unrealistic saying that
- don't forget about the other side of the problem
